PROFESSIONAL SUMMARY

Computer Science Engineering graduate with hands-on experience in Core Java, JDBC, SQL, HTML, and CSS. Strong understanding of object-oriented programming and database connectivity through practical project development. Familiar with AI-assisted software development tools to improve productivity and streamline application development. Seeking an entry-level Java Developer or Software Developer role.

TECHNICAL SKILLS

Languages: Core Java, SQL

Frontend: HTML, CSS

Backend: JDBC

Tools: Eclipse IDE, Git, GitHub, MySQL Workbench

AI Development Tools: Claude, Google AI Studio, Lovable, Antigravity AI

Core Concepts: Object-Oriented Programming (OOP), Database Connectivity (JDBC), Problem Solving

INTERNSHIP

Software Developer Intern

Tap Academy, Bengaluru

Feb 2026 – Apr 2026

- Completed hands-on training in Core Java, OOP, JDBC, SQL, and MySQL.
- Built Java application modules, optimized SQL queries, and independently developed an end-to-end e-commerce application.
- Used Git and GitHub for version control and project management.

PROJECTS

ShopEase – Full Stack E-Commerce Web Application

GitHub: github.com/dhanushr-dev/shopease | Live: shopease-iucm.onrender.com

- Developed a full-stack e-commerce web application using modern development tools and AI-assisted workflows with secure authentication, shopping cart, order management, payment integration, and an admin dashboard.
- Built RESTful APIs, integrated Razorpay payments, and deployed the application on Render with PostgreSQL.
- Managed source code using Git and GitHub.
- Technologies:** Java, Spring Boot, React, PostgreSQL, JWT, Razorpay, Git, GitHub

E-Commerce Management System

GitHub

- Developed a Java-based e-commerce management system with user authentication, product management, shopping cart, and order management using Core Java, JDBC, and MySQL.
- Applied OOP principles and JDBC for efficient database connectivity.
- Technologies:** Core Java, JDBC, MySQL, SQL, Git, GitHub

EDUCATION

Bachelor of Engineering – Computer Science and Engineering

2022–2026

G. Madegowda Institute of Technology, Mandya | Visvesvaraya Technological University

CGPA: 8.0 / 10

Pre-University (PCMB)

2020–2022

Mandavya Integration PU College, Mandya, Karnataka

SSLC (10th)

2020

Vimala English Medium High School, Mandya, Karnataka
